Laconia Airport Authority

The past year has been an extremely busy one at the Laconia Airport. The 3,500 ft. runway was repaved, new center lines and markers were installed, and clearing was done on the north end. A localizer was installed and tested for approaches in bad weather.

There was an increase of approximately 9% in the number of passengers at the airport.

Civil Defense

B. Albert Markot, Director

Another satisfying year has passed for Laconia's Civil Defense Department. Training has continued and Civil Defense members have become more proficient in their respective fields.

The Auxiliary Police did a fine job during the motorcycle weekend, so-called. Many hours were put in by this group. They were ably supported by the Rescue and Communications sections.

The Rescue Group has in use now a rescue vehicle which was rebuilt entirely by the members. This group is becoming a very important and needed aspect of Civil Defense.

The Communications Group has a mobile unit almost completed which will soon be on an operational basis. The Communications Group has weekly drills and is fast becoming a top-notch Civil Defense unit.

Several instructional courses have been offered to the public with fair to good results. One course was offered with the cooperation of the Adult Education Program. Several members of the Rescue Squad are continuing their studies at the Civil Defense school in Massachusetts. The Director and two assistants have completed a 30-hour course in "Civil Defense Management."

Work is now being done at the County Home to complete the Civil Defense Communications Program. The County Home contains the Emergency Operating Center (E.O.C.) and the county officials have been very cooperative in this phase of Civil Defense.

The members of Civil Defense are looking forward to a busy and fruitful year — this is made possible because of the fine, dedicated volunteers and the full cooperation of Mayor Royal and the City Council.

Welfare Department

Year Ending June 30, 1967

Bertrand Morin, Welfare Director

Laurette B. Johnson, Secretary

The Welfare Department received an appropriation of \$84,664.10 which was expended as follows:

Direct Relief

Appropriation		\$29,664.10
Expended:		
Aid to 146 families (591 persons)	\$10,010.19	
Aid to 48 single persons	1,848.93	
Aid to 20 veterans and families (101 persons)	946.47	
	<hr/>	
	12,805.59	
Salaries and other expenses	9,010.02	
	<hr/>	
		\$21,815.61
		<hr/>
Unexpended		7,848.49
Reimbursements and recoveries		2,262.59
		<hr/>
		\$10,111.08

Breakdown of Amount Expended for Direct Relief:

Food	\$2,585.23
Gas and electricity	281.28
Clothing	525.46
Fuel	376.01
Rent	2,120.69
Board and Care: adult	108.20
Board and Care: children	6,007.03
Medical, hospital, funerals, etc.	801.69
Salaries	6,881.10
Office expense	2,128.92
	<hr/>
	\$21,815.61

Old Age Assistance (city's share):

Appropriation	\$55,000.00
Expended	61,075.12
	<hr/>
Over Expended	(6,075.12)
Recoveries	3,610.38
	<hr/>
	\$(2,464.74)
	<hr/>
Returned to General Fund	\$7,646.34

Surplus food was distributed to 4,086 persons. Surplus commodities are available to families or persons under State programs and to families of low income. Applications may be obtained at the Welfare office, city hall.

The increased use of library facilities at Laconia is evident annually not only in circulation statistics but in every record of library procedure. Reference work has increased immeasurably in all departments. Additional schools in the area present a heavy demand on library resources and personnel.

In 1957 bookmobile service was inaugurated throughout the city. Lack of patron participation resulted in discontinuing the service in some areas. Books are carried to the Taylor Home and St. Francis Home on schedule. Close communication between the library and public schools has been maintained on a regular basis. During the past ten years the bookmobile has traveled 5800 miles within the city limits to loan approximately 154,000 volumes to interested readers.

A dry photo copier is an additional service offered the public. Various materials including manuscripts, pictures, pages of books or periodicals may be readily copied by a staff member for the nominal charge of 25 cents per page.

Mr. Harris M. Fellman, as a library patron and a trustee, instituted several library services. The Board of Trustees and the staff sincerely regret that a change of residence necessitated his resignation. Chester F. Perkins was elected by the Mayor and Council to complete Mr. Fellman's unexpired term. Mrs. Avery and Mr. Perkins were reappointed in March for the customary three year period. Mrs. Winifred Talbot has rejoined the library staff after an absence of three years.

The property at 132-134 Court Street was sold at public auction. As specified in the will of Myrtie G. Crooker, the library trustees are required to use the proceeds of the sale for the Julia and Myrtie Crooker Fund. Educational and religious books will be purchased with the income from this fund.

Unusual exhibits were arranged by individuals and organizations. Of great historical interest was the display assembled by Gilbert S. Center commemorating the fiftieth anniversary of the sinking of the Cunard liner, SS LACONIA. That tragic torpedoing, described as the first official overt act against the United States, which helped to precipitate World War I, occurred on February 25, 1917.

The generosity and interest of library patrons has always been appreciated. Special thanks go to those who consistently contribute books, periodicals and miscellaneous gifts. Many outstanding memorial volumes honoring friends and relatives have been received. The new edition of the Catholic Encyclopedia, recently published, was obtained for the reference department. The acquisition was made possible through a fund started six years ago by the local Council, Knights of Columbus. Grateful appreciation is extended to the publishers of the LACONIA EVENING CITIZEN and to the local radio stations, WLNH and WEMJ for the generous publicity given library news.

ZONING BOARD OF ADJUSTMENT

*Membership —**Maurice Tibbetts, Chairman**Glenn A. Walter**John D. Newton**Dr. John R. Perley**Linwood A. Hewitt**Jason C. Sloan, Clerk*

With only three variance requests submitted, it was necessary to hold but two hearings during the year (one variance being withdrawn). One petition was granted and one denied. One court case involving a previous decision of the Board was resolved in favor of the Board. Since the Zoning Board of Adjustment was established in 1948 there have been an average number of eight hearings per year—ranging from the past year low of two to a high of 13.

The Laconia parks and playgrounds opened their summer program on June 24th and closed on September 5th. This was a summer of exceptionally fine weather, making for a very large attendance at the beaches. Approximately 850 children participated in the swimming lessons at the various beaches. These classes were for pre-schoolers through Junior Life Saving. The children at the playgrounds were able to enjoy a very good Arts and Crafts program under the direction of Mrs. David Decker. Approximately 175 children daily made use of the facilities at the various playgrounds.

There was plenty of snow available for the excellent Junior Ski program under the direction of the Winnepesaukee Ski Club. This ski program had a very large attendance. Skating was also enjoyed at the skating rinks maintained by the Parks Department.

The Laconia Parks and Recreation Department maintains facilities for many organizations such as the 4-H Club annual fair, Y.M.C.A., Little League, Babe Ruth League, Rowing Association and many others.

The Opechee Park Club donated a Jungle Gym for Opechee Park in memory of "Mickey" Dunleavy who was very active in youth work in the city.

The Mayor and City Council turned over a piece of property at Granite Street to the Park Department for future development.

Opechee Park

The quarter mile cinder track was completed and maintained for use by the schools and for the State Track Meet. New paddle boards were purchased for use at the point, new hydrant for skating area, new metal lifeguard stands, barbecue grills were purchased and installed. The parking area was enlarged and bumper blocks added to the parking area.

Underground wire, water and telephone were laid from Memorial Junior High School to the Little League ball field.

Memorial Park

A new scoreboard, purchased by the Memorial Park Club, was installed. Babe Ruth broadcasting stand was built and new underground wire was installed for Babe Ruth. The road was resurfaced from West St. to Pearl St. and the parking area enlarged. New barbecue grills and picnic tables were added to the picnic area.

Tardif Park

The swimming pools were resurfaced and painted. The bridge across the brook was repaired.

Bartlett Beach

The U.S. Army Reserves brushed and cleaned wooded area. Fill was put in the swamp area. New barbecue grills and tables were added to the picnic area.

Leavitt Park and Beach

New lifeguard stands were installed and new tables and grills added to the picnic area. A new roof was put on the dugout. Lights were reversed from skating rink for tennis court.

Wyatt Park

The club house was painted, new tables and playground equipment were added.

Weirs Beach

Sixty feet of rock was added to the channel to stop beach wash—State of N.H. Road ramp was black topped. New picnic tables and barbecue grills added to the picnic area. New lifeguard stands were installed. Stairs and wooden walk were repaired. Sand was added to the beach.

Granite St.

The Granite St. lot was cut and brushed.

Planning Board

Membership —

Leslie E. Hibbert, Chairman

John D. O'Shea, Vice-Chairman

Dr. Kenneth Achber

George H. Guild (succeeded by Lucille F. Guild)

John P. Irwin

Dr. John R. Perley

Ex-Officio —

Mayor Peter R. Lessard (succeeded by Mayor James Royal)

Councilman Arthur W. Strathern (succeeded by Councilman Charles M. Smith)

City Engineer Wayne H. Hoereth

Robert A. Morin, Supt. Water Works

Jason C. Sloan, Secretary

A major achievement of the Planning Board for the past year was the completion and presentation of a "Proposed Plan for the Development of Weirs Beach". This project was initiated at the request of the City Council and the completed plan was presented on May 18, 1967 at a public meeting held at the Martha Prescott Auditorium. Implementation of the plan is the next step in this important project.

Many diversified problems and studies concerning the betterment of the city were considered by the Planning Board, including traffic studies and parking problems, simplification of Subdivision approval application procedure, study of possible future school sites, etc. as well as continual cooperation with the Housing and Redevelopment Authority on plans and progress of the downtown Urban Renewal project, known as the "Winnepesaukee River" project.

Immediately following the municipal elections, a joint meeting of the Planning Board and the Mayor and Council was held at the invitation of the Board Chairman, with every member of both groups present. At this time the purpose, responsibilities and duties of the Planning Board as established by State law and City ordinance were reviewed with particular attention called to the Comprehensive (Master) Plan, the Zoning Ordinance and the Workable Program.

Laconia Housing And Redevelopment Authority

COMMISSIONERS

Richard A. Messer, Chairman Paul N. Stewart, Vice Chairman

Noel J. Laurent John S. Putney George H. Guild

Robert S. Kitchel, Jr., Executive Director

David J. Lafond, Assistant Director

Helen D. Martin, Housing Director

The Laconia Housing & Redevelopment Authority received Federal approval on August 8, 1966 of Part II Loan and Grant Application for the redevelopment of the 21 acre Winnepesaukee River Project, N.H. R-12. A signed contract between the Authority and the Department of Housing & Urban Development was consummated on October 9, 1966 for a total Loan and Capital Grant of \$4,288,577. Essentially, this put the redevelopment of the lower half of the Central Business District into the realms of reality; and a program was designed for acquisition, relocation, demolition and the reassembling of land parcels.

Private financing following bids was arranged through the First National City Bank of New York for an initial loan of \$1,240,000 at an interest rate of 3.63%. Subject to required project progress, this loan will be retired through a Federal grant.

With the completion of at least two appraisals on each property, fair market value was established and approved price options were offered property owners in the project area. At the close of the City's fiscal year 43 price option offers have been made, and nine properties have been purchased by the Authority. During the first six months of 1967, emphasis has been on relocation. This process involves the moving of three large industries, approximately 90 businesses

and over 100 families and/or individuals. The purchase by the Authority of the Cormier Hosiery and Central New Hampshire Dye Inc. and their relocation to a modern one story plant in O'Shea Industrial Park represents a major milestone in progress. This new structure will provide additional tax base for the City of Laconia, and demolition of the old mill permits available land for redevelopment in the downtown area. At the close of this fiscal year, twenty families and/or individuals have been successfully relocated in standard housing with all moving costs and other related claims paid. Several small businesses have received assistance in finding new quarters and displacement benefits have been processed by the LHRA. Relocation benefits and claims as of June 30, 1967 total \$100,392.31. These funds are provided through a direct Federal grant and are not included in the total project cost.

A contract with Richard Cousineau & Son Inc. of Rochester for the first demolition contract brought the long awaited bulldozer to Laconia, and on March 10, 1967 the razing of the Cormier Mill building and two additional structures was begun. A second demolition contract for removal of several additional buildings is currently being processed.

An amended Annual Contributions Contract based upon a revised Development Program for the Housing for the Elderly, N.H. 7-1 was approved May 15, 1967. This will provide 100 units of elderly housing for a total estimated development cost of \$1,703,017. Erickson and Dennis, Associated Architects, are presently preparing the Construction Documents upon which the contract bids will be made. With the clearance of the proposed site and the transfer of titles of properties, the Authority anticipates beginning construction during the next fiscal year.

Resolution

CITY OF LACONIA

In the Year of our Lord one thousand nine hundred and sixty-six.

A RESOLUTION ON THE DEATH OF CHIEF CHARLES E. DUNLEAVY.

Resolved by the City Council of the City of Laconia, as follows:

WHEREAS, the citizens of the City of Laconia are saddened by the sudden death of Chief Charles E. Dunleavy; and

WHEREAS, Chief Dunleavy joined the Laconia Police Department in 1925, was made deputy chief in 1934, and served the city faithfully and well as chief of the department from 1948 until his retirement in 1962; and

WHEREAS, Chief Dunleavy carried out his duties in a capable and efficient manner and was highly regarded by the people of the City of Laconia; and

WHEREAS, Chief Dunleavy was a fine family man and had many friends in all walks of life; and

WHEREAS, he will be greatly missed by all who knew him and his memory will live on for many years;

BE IT RESOLVED that the mayor and members of the city council extend to the family of Chief Charles E. Dunleavy an expression of deepest sympathy; and

BE IT FURTHER RESOLVED that this resolution be engrossed upon the permanent records of the City of Laconia and that a copy be sent to the family of Chief Charles E. Dunleavy.

Passed and approved this 29th day of August, 1966.

PETER R. LESSARD, MAYOR

Resolution

CITY OF LACONIA

In the Year of our Lord one thousand nine hundred and sixty-six.

A RESOLUTION ON THE DEATH OF ARTHUR C. TROMBLY.

Resolved by the City Council of the City of Laconia, as follows:

WHEREAS, the City of Laconia is shocked and saddened by the sudden death of its good citizen, Arthur C. Trombly; and

WHEREAS, Arthur C. Trombly was known as a dedicated, public spirited man whose first thought was for the welfare of the City of Laconia; and

WHEREAS, Arthur C. Trombly served faithfully and well as a member of the Laconia Fire Commission and carried out his duties in a capable and efficient manner; and

WHEREAS, Arthur C. Trombly will long be remembered by all those who knew him and who had the privilege of working with him;

BE IT RESOLVED that the mayor and members of the city council extend to the family of Arthur C. Trombly an expression of deepest sympathy; and

BE IT FURTHER RESOLVED that this resolution be engrossed upon the permanent records of the City of Laconia and that a copy be sent to the family of Arthur C. Trombly.

Passed and approved this 28th day of December, 1966.

PETER R. LESSARD, MAYOR

Resolution

CITY OF LACONIA

In the Year of our Lord one thousand nine hundred and sixty-seven.

A RESOLUTION ON THE DEATH OF JUDGE F. A. NORMANDIN.

Resolved by the City Council of the City of Laconia, as follows:

WHEREAS, the City of Laconia has lost through death an outstanding citizen, Judge F. A. Normandin; and

WHEREAS, Judge Normandin was noted for his civic spirit and for his many activities in the life of the community; and

WHEREAS, Judge Normandin served several terms in the state legislature and also acted as city solicitor and a member of the Board of Water Commissioners; and

WHEREAS, Judge Normandin was appointed Judge of Probate in February, 1965; and

WHEREAS, the City of Laconia takes pride in the memory of Judge Normandin and in his many accomplishments;

BE IT RESOLVED that the acting mayor and members of the city council extend to the family of Judge F. A. Normandin an expression of deepest sympathy; and

BE IT FURTHER RESOLVED that this resolution be engrossed upon the permanent records of the City of Laconia and that a copy be sent to the family of Judge F. A. Normandin.

Passed and approved this 30th day of January, 1967.

JOHN A. VEAZEY, ACTING MAYOR

Resolution

CITY OF LACONIA

In the Year of our Lord one thousand nine hundred and sixty-seven.

A RESOLUTION ON THE DEATH OF COUNCILMAN HAROLD E. TEFFT.

Resolved by the City Council of the City of Laconia, as follows:

WHEREAS, Councilman Harold E. Tefft's untimely death on February 8th shocked and saddened the entire community; and

WHEREAS, Councilman Tefft served the City of Laconia long and well as the representative from Ward 6; and

WHEREAS, Councilman Tefft was a well known businessman, highly respected by his many associates and friends; and

WHEREAS, Councilman Tefft's presence as a citizen and as a member of the city council will be greatly missed by all those who had contact with him;

BE IT RESOLVED that the mayor and members of the city council extend to the family of Councilman Harold E. Tefft an expression of deepest sympathy; and

BE IT FURTHER RESOLVED that this resolution be engrossed upon the permanent records of the City of Laconia and that a copy be sent to the family of Councilman Harold E. Tefft.

Passed and approved this 28th day of February, 1967

PETER R. LESSARD, MAYOR

Resolution

CITY OF LACONIA

In the Year of our Lord one thousand nine hundred and sixty-seven.

A RESOLUTION ON THE DEATH OF MICHAEL J. CARROLL.

Resolved by the City Council of the City of Laconia, as follows:

WHEREAS, the City of Laconia has lost through death an outstanding citizen, Michael J. Carroll; and

WHEREAS, Michael J. Carroll was a well loved member of the community, greatly respected by all those who knew him; and

WHEREAS, Michael J. Carroll served the city well as a councilman, a police commissioner, and state legislator; and

WHEREAS, Michael J. Carroll was noted for his business affiliations and for his active participation in many of the city's service organizations; and

WHEREAS, he served as postmaster of the City of Laconia from 1935 to 1950;

BE IT RESOLVED that the mayor and members of the city council extend to the family of Michael J. Carroll an expression of deepest sympathy; and

BE IT FURTHER RESOLVED that this resolution be engrossed upon the permanent records of the City of Laconia and that a copy be sent to the family of Michael J. Carroll.

Passed and approved this 31st day of May, 1967.

JAMES ROYAL, MAYOR

Resolution

CITY OF LACONIA

In the Year of our Lord one thousand nine hundred and sixty-seven.

A RESOLUTION ON THE DEATH OF ATTORNEY F. E. NORMANDIN.

Resolved by the City Council of the City of Laconia, as follows:

WHEREAS, the City of Laconia has sustained a great loss due to the untimely death of its outstanding citizen, Attorney F. E. Normandin; and

WHEREAS, Attorney F. E. Normandin will long live in the hearts and memories of all those fortunate enough to have known him; and

WHEREAS, Attorney F. E. Normandin was a member of the city council for four terms, a member of the school board for a term of six years, and of the House of Representatives for two terms; and

WHEREAS, Attorney F. E. Normandin in addition to his law practice held a number of state appointments and was a member of the Laconia Police Commission for many years; and

WHEREAS, Attorney F. E. Normandin was also active in many of the city's organizations and service clubs; and

WHEREAS, Attorney F. E. Normandin was known throughout the State of New Hampshire for his ability, integrity and civic interest;

BE IT RESOLVED that the mayor and members of the city council extend to the family of Attorney F. E. Normandin an expression of deepest sympathy; and

BE IT FURTHER RESOLVED that this resolution be engrossed upon the permanent records of the City of Laconia and that a copy be sent to the family of Attorney F. E. Normandin.

Passed and approved this 31st day of May, 1967.

JAMES ROYAL, MAYOR

PHYSICAL CHANGES DURING 1966

LACONIA WATER WORKS SYSTEM

Fixed Assets:

Dec. 31, 1966 \$1,979,715.76

During 1966 the following major changes were made:

1. A loop of 5681' of 12" pipe was completed from North Main St. to Jefferson St. on Elm St. tying in the rest of Elm St. and furnishing better pressure and a constant water supply to the Laconia State School, County Home, and O'Shea Industrial Park without draining the tank on Lafayette St. Four new hydrants were also set on this line with gates on each hydrant.
2. From our new \$310,000 Bond issue
Garfield St. 784' of 8" C.I.C.L. pipe
Carver St. 368' of 6" C.I.C.L. pipe
Addison St. 671' of 12" C.I.C.L. pipe
Mechanic St. 2369' of 12" C.I.C.L. pipe & 30' of 6"
Girard St. 1040' of 12" C.I.C.L. pipe (incl. crossing brook)
Winter St. 1271' of 12" C.I.C.L. pipe
Valley St. 582' of 8" C.I.C.L. pipe
Willow St. 430' of 12" C.I.C.L. pipe
were all laid by the Laconia Water Works crew—close to 2½ miles of pipe.
A new hydrant was set on Girard St.
3. In August, also a part of the \$310,000 Bond, a new 20" water main was laid by a contractor from outside the Lakeport reservoir. (Note: Not yet into the reservoir, but scheduled to be completed when the reservoir is gunited this spring) to the junction of Prospect and Clinton Sts. From this point a 16" water main continues down Clinton St. to Union Ave. 12" water main and replaces some old 6" C.I. and 12" stove pipe and old 12" C.I. pipe. Willow St. 12" main from the reservoir is connected to this new 16" along with both the north and south side of Mechanic St. One old coffin hydrant was replaced with a new gated Eddy at the corner of Mechanic and Clinton Sts. This 16" main makes it possible to overcome poor fire St., one each on Clinton and Valleys Sts. all took place
Another 16" from the 20" at the corner of Prospect and

Clinton Sts. continues up Prospect St., cross country to Cottonwood Ave., Walker St., across Woodland Ave to the end of the Laconia High School football field, down Isabella St. to Gilford Ave., both Walker St. and Woodland Ave. have 8" connections to the 16" main, along with new hydrants on Isabella, Cottonwood Ave., two on the cross country line and replaced two old hydrants on Prospect St.

The section of 16" between the end of Prospect St. at Cole St. was turned on at 10:30 A.M. on February 2, 1967. This 16" main make it possible to overcome poor fire protection in the Cole St. and Prospect St. area.

4. 1000 new $\frac{5}{8}$ x $\frac{3}{4}$ Trident meters were purchased and about 600 of them were installed before Dec. 31st replacing old Empires and Crowns in service many years.
5. New rates went into effect as of the 4th quarter billing in Laconia. The Gilford customers were billed at the old rates as the rate was not effective there until November 24, 1966.
6. F. A. Normandin, Chairman of the Laconia Water Works Commissioners passed away suddenly.
2 new services were laid at the Weirs
14 new services in Laconia
5 services discontinued in Laconia
56 relaid services
One major break on Willow St. and 2 breaks on Mechanic St., one each one Clinton and Valley Sts. all took place before these streets were relaid. It is hoped that new mains will solve the problems in this area.
Other breaks occurred on summer lines at the Weirs, & Bowman, Oak & Washington Sts., in Laconia.
No major change took place at the Weirs Beach area this year.

A Report From The Mayor

The last several months have been eventful ones for the Mayor and City Council.

The election in March, 1967, saw a new mayor and four new City Council members elected. Two members of the previous council were returned to office — Charles Smith of Ward III and Harry Gove of Ward IV. Ward I elected William Bastraw; Ward II, Donald Drouin; Ward V, Raymond Lakeman; and Ward VI, Charles Beard.

Many problems faced this new group, not the least being the Fire Department. After hearing long hours of testimony by the interested parties, it was felt that the addition of two new commission members was necessary to help share the responsibilities of the Fire Department. These members have been added and it is hoped that they will be able to aid in the overall operation of the department.

This year also saw the addition of a City Planning Director in the person of David Scott. Mr. Scott will oversee the present and future plans made by the city in its attempt to grow in an orderly manner. He will also work closely with the Housing & Redevelopment Authority in an effort to coordinate activities of both groups.

The Water Works Department will extend its new mains from Weirs Beach south to the Flying Cloud Motel. It will also complete the installation of meters at Weirs Beach, a task which has been in progress for some time.

Next year, 1968, is the 75th anniversary of Laconia as a city. We have plans which will make this a gala and memorable event for all the people in Laconia. It is hoped that each and every citizen of Laconia will take part in this celebration and make it one of the outstanding events in the history of the city.

JAMES ROYAL, MAYOR

Surplus (retained revenues): (4)

General Fund Surplus (Schedule A-1)	127,398.38	
Parking Fund Deficit (Schedule A-4)	(9,217.14)	
	<hr/>	118,181.24

Total Liabilities,* Reserves and Surplus	\$1,508,559.50
--	----------------

*Exclusive of bonded indebtedness (see Exhibit D)

EXHIBIT A FOOTNOTES

- (1) This represents the total amount of two checks dated in June, 1967 in payment of bond principal and interest due July 1, 1967 and budgeted for in the 1967-1968 fiscal year budget plus a disbursement of a small item also budgeted for next year for one of the departments. In regard to the payment of the bond principal and interest, it is required by the bank that such check be **collected** prior to the due date of the bond principal and interest payment. The due date as mentioned above, was July 1, 1967.
- (2) This amount represents the long-term receivable over the period of the bond issue for sewer project number three—Paugus to be received from the State of New Hampshire as a reimbursement for 40% of the eligible construction costs of project number three plus interest to be paid, as mentioned above, over the same period of years as the bond issue originally floated to obtain the financing for such project. During June, 1967, the City of Laconia received the first payment for the State grant in the amount of \$34,090.00. See Schedule A-3 for the inclusion of this amount, together with other yearly payments on State sewerage participation which were used by the City of Laconia during the past fiscal year to offset the principal and interest requirements on the sewerage bonds in effect for these projects.
- (3) The accounts payable, with the exception of the small tax refund due, represent invoices incurred and dated prior to June 30, 1967 for goods and services received prior to June 30, 1967, but not paid until subsequent to July 1, 1967. These amounts are included as liabilities in the Statement of Financial Condition, but will be paid for during the next fiscal year with funds obtained from taxes and other revenue during the next fiscal year ended June 30, 1968.
- (4) The unappropriated surplus account of the City of Laconia at June 30, 1967, after deducting the parking fund deficit of approximately \$9,000.00 at such date, amounts to \$118,181.24. Without the inclusion of the accounts payable referred to in footnote 3, the surplus account of the City would amount to approximately \$157,000.00. Although the uncollected taxes of the City of Laconia have now increased to the total amount of approximately \$104,000.00 there does appear to be an ample amount of surplus funds of the City at June 30, 1967 sufficient to use a portion thereof toward the 1967-1968 tax rate of the City.

Schedule A-1

CITY OF LACONIA, NEW HAMPSHIRE

Analysis of Changes in General Fund Surplus For the Fiscal Year Ended June 30, 1967

Balance, General Fund Surplus, July 1, 1966	\$ 64,240.14

LIABILITIES AND RESERVES

Permanent project unexpended cash and
receivable balances:

1952 Public Improvement Bonds:	
Parks (Leavitt Park Clubhouse)	\$169.20
Interest earned on investments	60.31
	<hr/> \$229.51

1954 Public Improvement and Equipment Bonds:

Rowell Street drainage	2,468.93
Interest on investments	271.54
	<hr/> 2,740.47

1-15-57 Public Improvement Bonds:

Parking lot construction—completed	179.82
Addition to Library—completed	264.17
Pine Street corner—completed	161.84
Interest on investments	190.63
	<hr/> 796.46

5-1-60 Municipal Improvement and
Equipment Bonds:

Public Works Department—improvements	39,297.94
Public Works Department—equipment	488.00
Interest on investments	3,014.50
	<hr/> 42,800.44

3-5-62 Notes (formerly Pine Street sewer extension completed project) now voted as Durkee Brook Sewer Project:		
Unexpended balance	7,490.62	
Interest on investments	871.98	
	<hr/>	8,362.60
1950-1955 Sewer Plan Preparation Account (voted by City to now use for financing of plans for Shore Drive section):		
Unexpended balance	\$47,288.01	
Interest on investments (see note I)	1,335.82	
	<hr/>	48,623.83
10-25-65 Capital Improvement Notes:		
Unexpended balance		1,094.22
1963 Sewer Bonds—Project 1: (project completed)		
Unexpended balance	28,126.11	
Interest on investments	11,865.57	
	<hr/>	39,991.68
1964 Sewer Bonds—Project 2: (project completed)		
Unexpended balance	55,598.84	
Interest on investments	13,313.90	
	<hr/>	68,912.74
1965 Sewer Bonds—Project 3: (project completed)		
Unexpended cash balance at June 30, 1967, for project .	315,891.56	
Unexpended interest on investments	5,544.01	
Plus—approximate final Federal grant receivable on construction	94,357.00	
(see note 2 for data on final payments to contractors)	<hr/>	415,792.57
3-15-67 Airport Improvement Notes:		
Unexpended cash interest	46.90	
Plus—approximate final Federal and State grants receivable on project 3	8,293.09	
Plus—approximate entire Federal and State grants receivable on project 4	140,106.08	
(see note 3 for data on final payments to contractors which must be paid from the above cash and Federal and State grants due but unpaid at June 30, 1967)	<hr/>	148,446.07
Total Liabilities, Reserves, Surplus		<hr/> \$777,790.59

The notes to this Exhibit C are an integral part of this report.

Exhibit C

CITY OF LACONIA, NEW HAMPSHIRE

Notes to the Combined Statement of Financial Condition Of all Bond Funds Separate from General Fund As at June 30, 1967

(1) During the fiscal year ended June 30, 1961, the City received \$42,518.20 as an advance from the Federal government to offset expenditures for preliminary sewer project plans. In addition to this, the city received an advance of \$8,500.00 for preliminary planning of sewer projects on Shore Drive and Union Avenue. These advances were given under the condition that they shall be repaid in full only when such projects are actually instituted. Such projects are in progress, and \$12,800.00 of these advances were repaid in the year ended June 30, 1963; \$1,300.00 in the year ended June 30, 1964; \$10,630.00 in the year ended June 30, 1965; and \$13,388.20 in the year ended June 30, 1966. The remaining balance due of \$12,900.00 must be paid from unexpended sewer bond funds—ample funds are available to pay this liability.

(2) **Sewer Project 3:** (1965 Sewer Bonds)

Remaining payments due contractors as at

June 30, 1967:

Nalews, Inc., 2% guarantee retainage	\$5,136.40
R. Zoppo Co., Inc. 2% guarantee retainage	16,829.47
R. Zoppo Co., Inc. writ withholding	6,500.00
R. Zoppo Co., Inc. balance (paid July, 1967)	77,957.08
Final engineering costs	Unknown

Total Liabilities except engineering	\$106,422.95
--------------------------------------	--------------

Project 3 unexpended cash plus balance of Federal grant receivable are ample to liquidate the above remaining liabilities for this completed project with a very substantial remaining surplus of approximately \$300,000.00.

(3) **Airport Improvement Funds—1967:**

Remaining payments due contractors as at

June 30, 1967, on Project 4:

L. M. Pike—approximate	\$136,559.75
A. Reed, Engineer	5,774.76

There may be additional engineering
fees payable with final audit

Total predicted completion costs	\$142,334.51
----------------------------------	--------------

Funds available to retire above costs:

Cash balance, June 30, 1967	\$46.90
-----------------------------	---------

Plus—approximate final Federal and

State grants receivable on completed

Project 3	8,293.09
Plus—approximate entire Federal and State grants receivable on project No. 4	140,106.08
	<hr/>
	\$148,466.07

It is apparent that a small surplus will be available from the airport improvement bonds after liquidation of all project liabilities.

(4) General Comment:

In regard to sewer construction projects, the Federal grants of 30 per cent of eligible costs are received during and shortly thereafter completion of the construction work. State grant funds are not available in lump-sums to aid in the actual costs of construction but are received ratably over the periods of the applicable bond issues involved. State grants are based upon 40 per cent of Federal eligible costs plus interest thereon and are used by the City to apply against the total principal and interest on the bond issue each year of maturity.

Schedule C-1
CITY OF LACONIA, NEW HAMPSHIRE
Bond Funds
Statement of Cash Receipts and Disbursement
For the Fiscal Year Ended June 30, 1967

Balance of Bond Funds, July 1, 1966	\$856,930.24
Plus—Cash Received on New Issues:	
1. March 15, 1967, airport notes—	
Principal received	\$100,000.00
Interest earned	625.00
	<hr/>
Sub-total	100,625.00
	<hr/>
Plus—Cash Received on Prior Issues:	
2. Interest earned—1952 bonds	10.02
Interest earned—1954 bonds	119.92
Interest earned—1-15-57 bonds	34.84
Interest earned—5-1-60 bonds	1,682.91
Interest earned—3-5-62 notes	499.88
Interest earned—1950 and 1955 sewer plan account	107.38
Interest earned—1963 sewer bonds	1,491.18
Interest earned—1964 sewer bonds	2,422.02
Interest earned—1965 sewer bonds	23,038.55
	<hr/>
Sub-total	29,406.70

3. Other Sources:

a. 1950 and 1955 sewer plan account:

Transfer from 1967 airport improvement notes to repay temporary loans	45,108.02
---	-----------

b. Airport runway extension 11-1-63:

(1) Transfer this year temporarily from above 1950-1955 sewer account	28,822.00
(2) First Federal grant—project No. 3	82,965.40
(3) First State grant—project No. 3	43,357.70
(4) Second Federal grant—project No. 3	6,802.18
(5) Second State grant—project No. 3	4,790.62

c. 1965 capital improvement notes:

(1) Belknap County —sewer reimbursement	11,458.10
(2) Park Dept. capital outlay budget	8,275.00
(3) Surplus "E & D" account—for Memorial Park House	926.41
(4) Public Service Company—water heater allowance	25.00

d. 1964 sewer bonds—Paugus project No. 2:

(1) Final Federal grant	23,130.00
-------------------------	-----------

e. 1965 sewer bonds—Paugus project No. 3:

(1) First Federal grant	203,800.00
(2) Received from City General Fund—reimbursement of temporary loan 6-30-66	58,000.00

Sub-total	517,460.43
-----------	------------

Total cash received from new issues,
interest income, and other sources

\$647,492.13

Total Cash Available

1,504,422.37

Less—Expenditures of Bond Cash:

1. 5-1-60 bonds—interest paid to General Fund for debt retirement

\$1,764.05

Plus—10 shares Axe Houghton Fund A, Inc., added to principal	59.10
	<hr/> 41,531.19
Less—Julia and Myrtie Crooker Trust (note 2)	\$2,900.00
Interest transferred to general funds—net	62.36
	<hr/> 2,962.36
	<hr/>
Balance, June 30, 1967	\$38,568.83
Gale Building Fund (note 3)	27,566.43
Library general funds (note 1)	5,508.95
	<hr/>
Total Liabilities	\$71,644.21

Note 1—The library trustees have established a savings account for the deposit of general funds received from the Goss Estate and interest earned on unrestricted trust funds. We have shown this account separately as it is not a specific bequest.

Note 2—In accordance with the terms of the bequest from Myrtie G. Crooker, the house and land at 132-134 Court Street was sold for \$5,500.00. The property was valued at \$8,400.000 for accounting purposes in the audit report for the fiscal year ended June 30, 1966. As a result of the sale being lower than the valuation, we have reduced the trust fund principal by \$2,900.00.

Note 3—Balance, Gale Building Fund, July 1, 1966	\$21,152.81
Plus—deposit of portion of Gale	
Estate income	\$5,170.39
